

**Mr. Greg Kuhr**  
**Chief of Staff, Pacific Region**  
**U.S. Army**  
**Installation Management Command**

Mr. Greg Kuhr assumed his duties as Chief of Staff for the U.S. Army Installation Management Command, Pacific Region in September 2003. He is responsible for ensuring operations meet all mission support requirements.

Since July 2002, he served as the Director of Facilities Engineering and Logistics at Fort Benning, Georgia. He was responsible for all engineering, facilities, housing and logistics support to the Army's Home of the Infantry. From July 2000 through June 2002 he served as the Commander of the U.S. Army Corps of Engineers' Far East District in Seoul, Korea. In this position he served as the Corps' senior representative for the Combatant Commander, U.S. Forces Korea and was responsible for all military construction on Army, Navy and Air Force installations in South Korea.

He has held various command and staff assignments in the United States and overseas. These positions include command of the 8<sup>th</sup> Engineer Battalion, 1<sup>st</sup> Cavalry Division, Fort Hood, Texas; command of D Company, 46<sup>th</sup> Engineer Battalion at Fort McClellan, Alabama; and Deputy Commander for the New Orleans District, U.S. Army Corps of Engineers. Staff positions have included action officer in the Assistant Chief of Engineers on the Army Staff, Washington D.C. and senior engineer observer controller at the National Training Center, Fort Irwin, California.

A 1977 graduate with a Bachelor of Science degree in General Engineering from the U.S. Military Academy, he also obtained a Master's Degree in Civil Engineering from the University of Illinois in 1985. He is also a graduate of the U.S. Army Command and General Staff College and the U.S. Army War College.

Mr. Kuhr is a registered Professional Engineer in the state of Virginia.

He is married with two children.
